The Committee also reviewed the October 2022 HIV Planning Council calendar of activities. The October 2022 HIVPC calendar was approved with the amendment of adding the PSRA Retreat on October 20th, 2022.

Unfinished Business

Executive Committee members discussed the update on the letter submitted to the U.S. Department of Housing and Urban Development. The letter was sent to the City of Fort Lauderdale's HOPWA Office on August 22, 2022. Since then, there has not been an update on the letter. Therefore, Committee members requested that the letter be added for discussion at the HIV Planning Council meeting on September 22, 2022.

New Business

Committee members reviewed the Quarterly Meeting Evaluation Report. PCS Staff informed members that the evaluation survey is disseminated at every meeting for in-person and virtual attendees. The overall purpose of the meeting evaluations is to provide ongoing feedback to the Planning Council and its standing committees regarding the quality and effectiveness of its meetings. PCS Staff will then analyze the strengths, challenges, or deficiencies for potential Council development/training needs. PCS staff reported that only 25 meeting evaluations were completed during this quarter. Executive members expressed that more participation is needed from every attendee to capture a realistic response on the progress of the Planning Council and committee meetings. It was suggested that each Chair and Vice-Chair announce to meeting attendees to complete the evaluation before the meeting adjournment.

Additionally, Executive members reviewed and discussed the initial MOU draft and made recommendations for future approval of the document. B. Barnes discussed on behalf of the Ad-Hoc Bylaws & MOU committee that revisions were made to the MOU draft by the committee, PCS Staff, and Part A Office. The plan is for the Planning Council members to review the initial draft and make the final edits before it is submitted to the Part A Office and County Attorney's office for final approval. After much discussion, members voted to:

- 1) Present the MOU draft for review during the September 2022 HIV Planning Council meeting,
- 2) Discuss revisions to the MOU draft during the October 2022 HIV Planning Council meeting, and
- 3) Have the Council vote on the MOU draft during the December 2022 meeting for submission to the Part A Office and Legal Office.

This final motion was proposed by B. Barnes, seconded by T. Morange, and passed unanimously.

Motion #4: B. Barnes, on behalf of the Executive Committee, made a motion to present the MOU draft for review during the September 2022 HIV Planning Council meeting, discuss revisions to the MOU draft during the October 2022 HIV Planning Council meeting, and have the Council vote on the MOU draft during the December 2022 meeting for submission to the Part A Office and Legal Office. The motion was passed unanimously.

Executive Committee members reviewed and discussed the progress of the FY2022 HIVPC & Committee work plans. The committees are up to date with their work plan activities. Staff will update the SOC workplan to include the completion of the How Best to Meet the Needs Language activity.

Members discussed the planning of the annual member retreat. They recommended that this year's retreat be hosted in person. The committee proposed that the following topics should be considered:

- HIVPC Grievance process
- Ambassador training for HIVPC
- Requirements and eligibility for Part A services
- Integrated Plan
- Community Outreach partnerships

B. Barnes continued the discussion on Committee updates. PSRA will have a retreat on October 20, 2022. The first portion of the retreat will discuss reallocation sweeps along with the assessment of administrative mechanism survey approval. They will also review the work plan and the PSRA timeline process, which proposes to have the majority of the meetings via a virtual platform and only have in-person meetings for voting and approval of any work plan activities. PSRA will also discuss having collaborating meetings with SFAN. B. Barnes discussed the changes to the HIVPC Bylaws on behalf of the Ad-Hoc Bylaws and MOU Committee. He also mentioned that the bylaws do not address term limits. According to the Project Officer, HRSA requires term limits for EMAs based on an April 6, 2022, clarification letter. The Ad-Hoc Bylaws & MOU committee has asked for clarification from the County Attorney's office to determine if the Planning Council is allowed to implement term limits. R. Honick from the County Attorney's Office will report to the Part A office with any updates on the approval of term limits.
